CAMPBILL BLAIR DRUMMOND

OUR STORY

For fifty years, Camphill Blair Drummond has been a vibrant community where employees, volunteers and adults with learning disabilities live, work, and grow with dignity, purpose, and belonging.

Rooted in the values of the Camphill movement, we recognise the unique potential in every person and are committed to creating a place where that potential can flourish. Every day, our community is shaped by meaningful relationships, shared rhythms and opportunities that enrich lives.

But we cannot do this alone. Donor support plays a vital role in sustaining the high-quality care, creative activities and nurturing environment that make this community such a special place. Your generosity helps ensure every person is seen, heard and valued as part of a community where lives are truly transformed.

OUR NEW SPORTS & ACTIVITY CENTRE

As we mark 50 years of Camphill Blair Drummond, we are creating a space for movement, belonging and shared experience.

This is about more than a building. It is about creating opportunities that have not always been accessible to those we support.

A place where everyone can:

- build confidence in their own way and at their own pace**
- be active and support their wellbeing**
- spend time with others and feel included**
- try new things in a safe, supportive environment**

For many, this will be the first time they can take part in sport in a space truly designed for them - where they feel welcome, confident and at home.

WAYS YOU CAN GET INVOLVED

Thanks to the generosity of our supporters, the Sports & Activity Centre is fully funded. We are now raising funds to equip the Centre and bring it to life.

There are lots of ways to support Camphill Blair Drummond, whatever feels right for you.
